

Heavy vehicle Audit Inspection Report

Truck PM Schedule A,B, &C

Inspection Details Report #: HVI100532 Location: United States Inspection Date: 22-May-2024 03:15 PM Inspector Name: Jack	Vehicle Details Vehicle #: KJH 786 Vehicle Category: Truck Vehicle Name: 1000CC Truck Meter Reading: 100005 Miles Model/Year: 2005 Vehicle Status: Maintenance Required	
<input checked="" type="checkbox"/> PM A	<input checked="" type="checkbox"/> PM B	<input checked="" type="checkbox"/> PM C

PM Schedule A

Safety Check:

Body

SN	Inspection Item	Note	Good	Repair	Replace	NA
1	Body Mounting		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
2	Pallet body		<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
3	VANS		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
4	Cargo Tanks		<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
5	TRACTOR		<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
6	Fifth Wheel		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
7	Pintle Hook		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
8	Air, Electrical, Hydraulic Lines		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

Brake, Wheel and Tire

SN	Inspection Item	Note	Good	Repair	Replace	NA
9	Brake System		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
10	Drum Brakes		<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
11	Disc Brakes		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
12	Brake Chambers		<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
13	Record brake linings		<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Lubrication Check:

SN	Inspection Item	Note	Good	Repair	Replace	NA
14	Fluids		<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
15	Belts and Hoses		<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
16	A/C Compressor		<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
17	Radiator		<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
18	Air Compressor and System		<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>

Walk-Around

SN	Inspection Item	Note	Good	Repair	Replace	NA
19	Body		<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>

ECM Download:

SN	Inspection Item	Note	Good	Repair	Replace	NA
21	Check for stored diagnostic trouble codes (DTCs) and verify ECM communication with a scan tool		<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
22	Inspect the wiring harness, connectors, and engine sensors for damage or loose connections		<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
23	Check engine timing and inspect the throttle body, IAC valve, and EGR valve for proper operation and cleanliness.		<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>

Operational Diagnostic:

SN	Inspection Item	Note	Good	Repair	Replace	NA
24	DTC CHECK		<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
25	Horn Circuit Check		<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
26	Lift Drift Check		<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
27	Engine Speed Check		<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
28	Light Circuit Check		<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Lubrication Check:

SN	Inspection Item	Note	Good	Repair	Replace	NA
14	Fluids		<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
15	Belts and Hoses		<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
16	A/C Compressor		<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
17	Radiator		<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
18	Air Compressor and System		<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
