
Truck Inspection Report

Ready to deliver signed PDF Inspection Report generated using HVI Mobile Inspection App. Most advanced secure cloud based Mobile App to prepare professional Reports, with editable checklists, offline reporting, editable pictures, video notes and voice notes. Manage Equipment Inspection, Maintenance, WorkOrder, all prior history and Vehicle Digital Record keeping.

Download the App from HERE - <https://goo.gl/5SMuiW>

Heavy Vehicle Inspection (HVI) is a secured private cloud based Digital Platform. Bring faster speed of information, improved efficiency with HVI Mobile App, Web Portal and Digital Displays, ability to handle high data volume with images, videos, auto data sync, and data orchestration all in offline mode.

HVI delivers the most technically advanced and intuitive Inspection Maintenance management system. The app platform empowers the Operators, technicians and remote field staff with the tools they needed to efficiently manage their day-to-day operations and maximize company profits. All inspection documents, Maintenance requests or Schedules available for use by multiple operators, records can be submitted from anywhere using multiple devices and multiple employees spread across geographical locations.

The portal is compatible with latest google Chrome and Microsoft IE 11 (Internet Explorer) and Apple Safari browsers.

APPLE Device Users - iOS users can use the application using the iPhone or iPad browsers on below link. Use below URL to login to the system.
